About

Theo represents clients in patent litigation and commercial litigation, including breach of contract, business divorce cases, trademark litigation, fraud, nuisance cases, product liability, and class actions.

In 2023, Theo was among trial counsel in a patent infringement case responsible for obtaining a \$100+ million verdict for the plaintiff.

Theo's experience includes all phases of litigation in state and federal court, from pre-suit investigations to trial, including: conducting direct and cross examination of expert witnesses in a pharmaceutical patent trial; arguing TRO and TI hearings, patent claim construction hearings, and hearings on motions to exclude experts; taking and defending depositions; drafting and responding to discovery requests; managing e-discovery; expert discovery; and drafting dispositive motions, patent claim construction briefs, motions to strike evidence, and briefs on discovery disputes.

Theo has also participated in intellectual property transactions, including drafting agreements and leading due diligence review.
