

Making (and Safeguarding) Your Mark

HILGERS GRABEN TRADEMARK PRACTICE

Your trademarks and service marks are among your most valuable assets. Efficient clearance, effective acquisition, and wise stewardship of your trademarks, service marks, and trade dress are key pillars in building your trademark portfolio.

You need a partner to help you create, care for, and protect these key pieces of your company's identity. Hilgers Graben is that partner. We assist clients at all stages of the process using decades of experience won at "Big Law" firms, but at a fraction of the cost.
